The Honorable Joseph J. Farnan, Jr.  
U.S. District Court  
District of Delaware  
844 North King Street  
Lockbox 27

RE: **United States v. Igal Sharon Levy**  
**Crim. Action No. 06-56-JJF**

Dear Judge Farnan:

In connection with Mr. Levy's recent sentencing, he would respectfully request that the Court recommend to the Bureau of Prisons that Mr. Levy be assigned to FCI Otisville, New York to serve his term of incarceration. Mr. Levy is interested in the religious studies program that is available at that institution.

Very truly yours,
